Major General William J. Donovan
2 Wall Street
New York 5, New York

Dear General Donovan:

In compliance with your request to my representative, Colonel Pruden, I am pleased to forward a list of the decorations awarded to the Office of Strategic Services' personnel and foreign nationals associated with that organization, as compiled from the OSS files.

It is probable that this list is not complete since copies of all orders effecting the awards undoubtedly did not reach the Citations Office for recording. However, it contains all of the awards for which official notification was received.

Sincerely,

R. H. Hillenbratter
